STUDIO MESSAGING PACKAGE

Deliver your personal or business message with our full studio package, pre-set for your convenience (walk-in, walk-out)

If you've got a message to deliver, and need a professional studio and top equipment to capture in high quality, the studio package will make delivery simple

The studio package includes studio hire (green-screen or colour backdrop), lighting kit, 4K Black Magic Production Camera and cine-lens kit, iPad-prompter kit and audio kit, equipment set-up plus introductory training on equipment usage and data transfer at the end of the shoot (either on a drive that you bring, or via upload to cloud storage)

Packages for a 1 hour walk-in, walk-out shoot start at \$300+GST, \$175+GST per hour thereafter

AUDIO-POD PACKAGE

The AudioPod package is ideal for developing your own podcast series. If you have a podcast idea, we can help you bring it to life.

All-in studio and equipment package includes pre-production discussions and creative assistance, studio hire with equipment, introductory training, audio recording specialist, post-production of the podcast series (multi-annual publishing fees may apply).

We help to craft a themed audio signature and delivery of the podcast to your audience

Packages for a 10 part, 20 minute per episode podcast series start at \$3200+GST

Full production A/V services, within the studio or on-location, are available - let's discuss! Please Note: Studio half-days: up to 4.5 hours, Full-days: up to 8.5 hours, Weekly: up to 8.5 hours per day, for 5 week-days. Given sufficient notice, we support flexible start/finish times depending upon your shoot schedule. The studios charge a 10% after-hours fee for weekend bookings and openings/closings before 8 am and after 6 pm weekdays. You will be invoiced upon confirmation of your booking requirements and payment is required prior to studio use. BASEM3NT Studios offer concessionary rates for NGO's, veterans, students and pension-card holders
